

PLANT FACT SHEET

CERTAINTEED GYPSUM BUCHANAN, NY

PRODUCTS AND BRANDS MADE

- CertainTeed Drywall (3/8's to 5/8's, all lengths from 8' to 16' and 48" wide and 54" wide), Type X and C products, Abuse and High Impact Resistant, 1/2" and 5/8's
- GlasRoc products for interior and exterior application.

LOCAL SUSTAINABILITY PROJECTS

- To further promote sustainability and enrich our community, the Buchanan plant completed a 2.4 MW solar panel installation. It is a Community Solar project that local participating households can access the energy produced, and is one of the largest rooftop solar power systems in New York State. The system comprises 6,761 solar panels that generate over 2,700,000 kWh annually.
